## **AMERICAN ACADEMY OF ORAL PATHOLOGY**

The Academy's annual meeting and seminar will be held April 13 to 16, 1966, in Chicago, Illinois. Dr. Kenneth M. Earle will present the annual seminar on "Peripheral Nerve Tumors." All interested persons are invited to attend.

Further information may be obtained from the office of the secretary, Dr. S. Miles Standish, Indiana University, School of Dentistry, Indianapolis, Indiana 46202.

## **NORTHEASTERN SOCIETY OF PERIODONTISTS, INC.**

The spring meeting will be held on Friday, April 22, 1966, at the Park Sheraton Hotel in New York, New York.

The theme for the morning session will be "Goals of Periodontal Therapy," and the speakers will be Bernard Chaiken, Boston, Massachusetts; Melvin L. Morris, New York, New York; and Herman Corn, Philadelphia, Pennsylvania.

During the afternoon program, the subject of "Occlusion" will be discussed by Benjamin Patur, Hartford, Connecticut; Lawrence A. Weinberg, New York, New York; and Ira F. Ross, Milburn, New Jersey.

## **PHILADELPHIA SOCIETY OF PERIODONTOLOGY**

The Society will hold an all-day meeting on Wednesday, April 13, 1966, at the Penn Center Motor Inn, 20th and Market Streets, Philadelphia, Pennsylvania. The program will be on "Diabetes Mellitus and Its Relationship to Periodontal Disease." Participants will include Samuel Boorujy, Research Associate, University of Pennsylvania; Albert Finestone, Clinical Professor of Medicine, Temple University; James A. McMullen, Research Fellow, Boston University School of Graduate Dentistry; George Clayton Kyle, Assistant Professor of Clinical Medicine, University of Pennsylvania; Harold Rifkin, Clinical Professor of Medicine, Albert Einstein College of Medicine; Robert Gottsegen, Associate Clinical Professor of Dentistry, Columbia University; and Jacob Menczel, Chief, Metabolic Unit for Bone Disease, Hadassah Hebrew University Medical School, Jerusalem, Israel.

For further information, write Dr. Howard M. Sobel, 305 Old York Rd., Jenkintown, Pennsylvania.

## **NEW ENGLAND SOCIETY OF ORAL SURGEONS**

The Society's spring meeting will be held at the Hotel Somerset in Boston, Massachusetts, on April 23 and 24, 1966, with dinner on Saturday evening, April 23.

## **WESTERN SOCIETY OF PERIODONTOLOGY**

The Society announces that its thirteenth annual scientific meeting will be held April 17 to 19, 1966, at the Hotel Sahara in Las Vegas, Nevada. The program will be on "Psychological Factors in the Practice of Dentistry," and the essayist will be Dr. Nathan Friedman, Associate Professor of Periodontology at the University of Southern California School of Dentistry. All interested persons are invited to attend.

Further information may be obtained from the Executive Secretary, Ida L. Eichorst, 925 West 34th St., Room 146, Los Angeles, California.

## **BROOKDALE HOSPITAL CENTER**

The Department of Dentistry announces the availability of two rotating internships beginning July 1, 1966, for 12 months. The program will include training in all phases of dental practice. Each intern will participate in a research project and will be required to write at least one paper during his year.

Those interested should contact A. Norman Cranin, D.D.S., Director of Dental Services, The Brookdale Hospital Center, Linden Blvd. and Rockaway Parkway, Brooklyn, New York 11212.

### **ALBERT EINSTEIN MEDICAL CENTER**

Applications are invited for a 2 year residency program in endodontics starting July 1, 1966. For further information, write to the Medical Education Office, Albert Einstein Medical Center, York and Tabor Roads, Philadelphia, Pennsylvania 19141.

### **BAYLOR UNIVERSITY**

The College of Dentistry will present the 1966 Oral Surgery Seminar on March 18 and 19, 1966, at the Baylor University Medical Center in Dallas, Texas. Dr. Charles A. Waldron, assisted by Dr. D. Lamar Byrd and the oral surgery staff, will present diversified cases of clinical oral pathology, giving history, physical examination findings, symptomatology, and laboratory, radiographic, and clinical examination findings.

### **BOSTON CITY HOSPITAL**

The Department of Oral Surgery will present a symposium on "Shock and Cancer" on April 13, 1966. The morning program, which begins at 9 A.M., will include the following presentations by members of the Third Surgical Service of Boston City Hospital:

Gram-Negative Shock. John J. Byrnes, M.D.

Pulmonary Physiology of Shock. John M. Cahill, M.D.

Current Diagnosis and Management of Hemorrhagic Shock. Lester F. Williams, Jr., M.D.
