
Announcement

Announcements must be received by the editor eight weeks before the desired month of publication. Items published at no charge include those received from a sponsoring society of this Journal; courses and conferences sponsored by state, regional, or national dental organizations; and programs for the dental profession sponsored by governmental agencies. All other announcements selected for publication by the editor carry a charge of \$60.00 U.S., and the fee must accompany the request to publish.

ORAL AND MAXILLOFACIAL MICROSURGICAL TRAINING AT THE UNIVERSITY MEDICAL CENTER OF SOUTHERN NEVADA

The University Medical Center of Southern Nevada is offering courses designed to meet the needs of practicing and novice microsurgeons. The curriculum for oral and maxillofacial surgeons and head and neck reconstructive surgeons provides hands-on lab practicums for peripheral nerve repair, microvascular anastomosis, interpositional vein grafts, and free tissue transfers.

For further information, contact: Microsurgery Training Laboratory, University Medical Center of Southern Nevada, 1800 W. Charleston Blvd., Las Vegas, Nevada 89102. Telephone (702)385-2333.
